

राईकवाCTF

CHALLENGE NAME : [PRANKSTER TWINS]

DEV : [AMRUTA PATIL + PURRVA BOTHRA]

CATEGORY : [OSINT]

LEVEL : [HARD]

2024

Description:

I was on my way to deliver the flag straight to you, but it was stolen enroute by the Prankster Twins. They looked as if they walked out of a famous fantasy. All you have to do to get back the flag is roleplay as the protagonist of the fantasy who once received something from the Twins. Carefully listen to what the previous owners of the magical item had to say about it. P.S.- I feel that the thing they gave, although a secret, has a huge fan base.

Hints:

1. Flag format: VishwaCTF{FirstTimePassword(CamelCase)_AnswerFromDivination(InAllCaps)}
2. There's a wiki page for everything these days, even fandoms...

Files:

A .mp3 audio clip

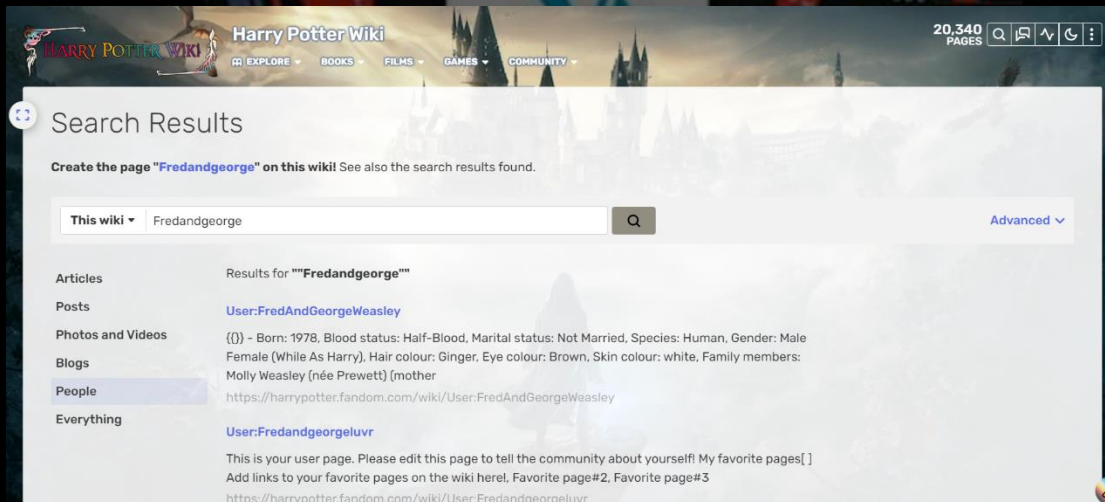

Flag:

VishwaCTF{LemonDrops_RAVENCLAW}

Solution:

Given audio contains a dialogue from a Harry Potter film which indicates the question is based on the Harry Potter universe. Description mentions the 'previous owners' of the item- Fred and George Weasley- who are also known as the prankster twins.

Description (and the hint provided) directs the solver to visit the Harry Potter Fandom Wiki page. On going to the website, the solver searches "Fredandgeorge" in the search option and

chooses "People" tab.

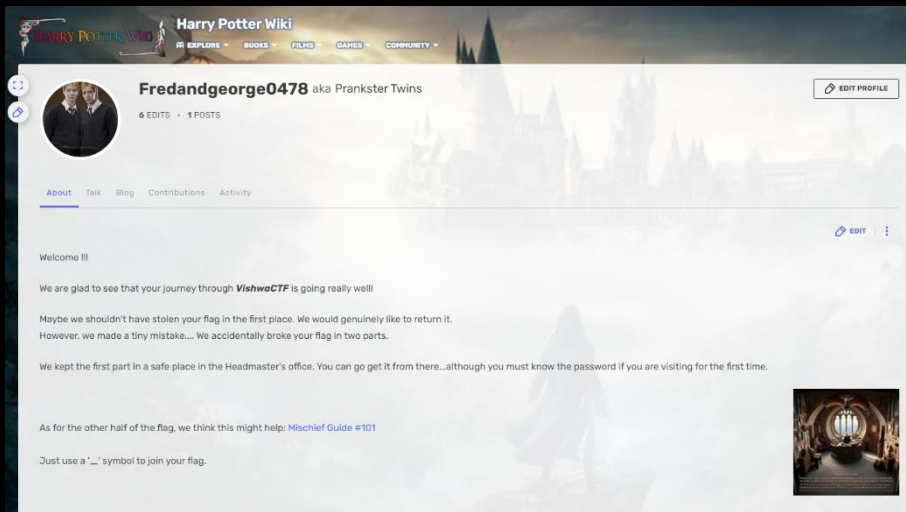

On scrolling down, we find an account with name **Fredandgeorge0478**.

User:Fredandgeorge0478

Welcome!!! We are glad to see that your journey through VishwaCTF is going really well!!

About page of the account:

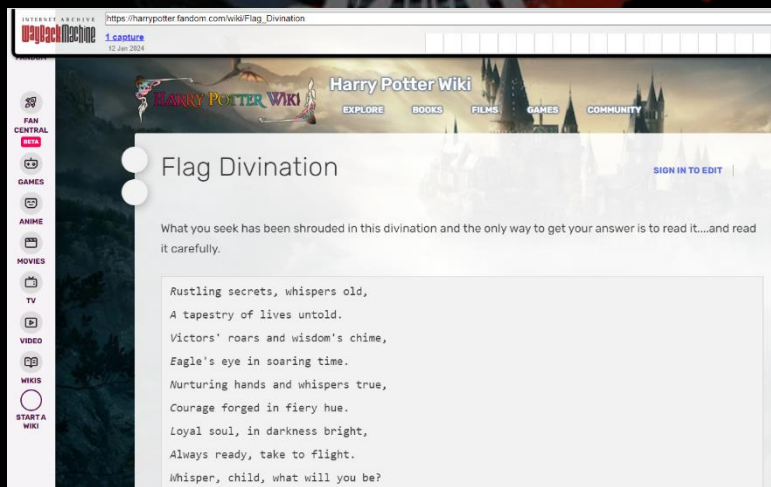

The flag is divided in 2 parts. First part can be found from the hints given in this page: first-time password to Headmaster's Office (Dumbledore).

Given link leads to a text post which contains a riddle and a hyperlink saying "Your Flag". The riddle suggests Wayback Machine and the hyperlink leads to a dead-end.

On visiting the post history, we can see another hyperlink "Remnants of Banner" which contains link to a page that has been deleted. Copy link address from the hyperlink and put in Wayback Machine archive.

Second half of the flag can be found by noting first letter of each line.
